

ROLE PROFILE

Job title	Electrician	Reference ID: W13321
Location	Plymouth	
Reporting to	Project Manager / Project Engineer / Supervisor	

PURPOSE STATEMENT

To carry out all installation and maintenance work as required across various Lorne Stewart Contracts.

KEY ACCOUNTABILITIES

Must possess particular practical, productive and electrical engineering skills with adequate technical supervisory knowledge so as to be able to work on their own proficiently and carry out electrical installation work without immediate supervision in the most efficient and economical manner; be able to set out jobs from drawings and specifications and requisition the necessary installation materials; be able to accept responsibility for the proper completion of jobs and, if required, supervise other operatives.

They must also have a thorough working knowledge of the National Working Rules for the Electrical Contracting Industry, of the current IEE Regulations for Electrical Installations, of the Electricity Supply Regulations, 1988, issued by the Electricity Commissioners so far as they deal with Consumers' Installations (ie Regulations 22-29 inclusive and 31), of any Regulations dealing with Consumers' Installations which may be issued, relevant British Standards and Codes of Practice, and of the Construction Industry Safety Regulations.

TECHNICAL SKILLS / KNOWLEDGE

- Must have fully met the requirements for the grade of Electrician.
- Must have had two years' experience working as an Electrician subsequent to the satisfactory completion of training.
- Must have demonstrated competence in Inspection and Testing and obtained either the Level 3 Certificate in the Certification of Electrical Installations (inspection, testing and certification of electrical installations) or both the Level 3 Award in the Initial Verification and Certification of Electrical Installations and the Level 3 Award in the Periodic, Inspection, Testing and Certification of Electrical Installations
- Must be able to carry out all such installation and maintenance work to the recognised standard and level of productivity expected from an Operative working under minimum supervision.

PERSON SPECIFICATION

- Established professional with a proven track record of delivery
- Results Driven, adopting a 'can do' approach to delivery
- Proactive and Committed
- Able to prioritise and therefore maintain and Work to strict deadlines.
- Demonstrates a collaborative and team-based approach to the role

Lorne Stewart Plc is an equal opportunities employer.
